

## **INSTALLATION DIAGRAM:**

**1**

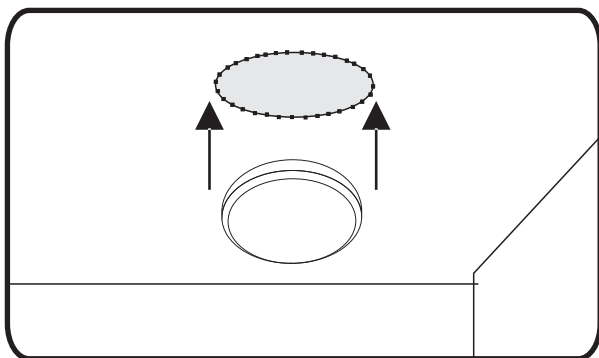

Step 1: Decide where you want to place the panel and cut a hole as per the cutout size provided.

**2**

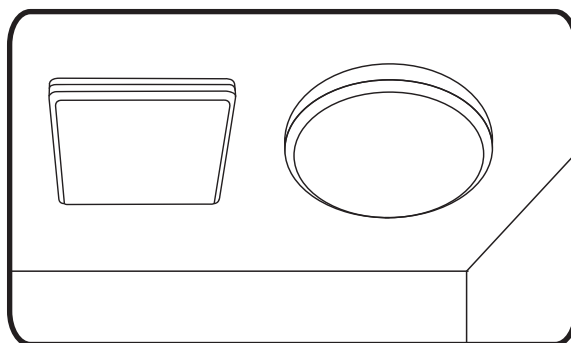

Step 2: Connect the Live and Neutral wires

**3**

Step 3: Hold the two clips back against the panel light and push it into the hole. Allow the springs to pull the light up to the ceiling

**4**

Step 4: Switch ON the power and test
